Heavy-duty Universal RAW Milling Machine Features Long Travels on all axes and with a proven Universal Swivel Head, include separate Servo Motors drive and Ball Screws on all Three Axis

This kind of MM-UWF10S is Servo Motor Drive Universal Milling Machine, with a solid heavy grey cast iron construction making this high precision RAW Milling Machine ideal for heavy duty machining of oversize work-pieces. Features of this swivel head proven universal milling machine include Servo Motors Drive in all three axes, Ball Screws in all three axes, ISO40 spindle taper, 5500W powerful main motor, Electronic Hand-wheels integrated in swivel-able control panel, extra large work table and long travel.

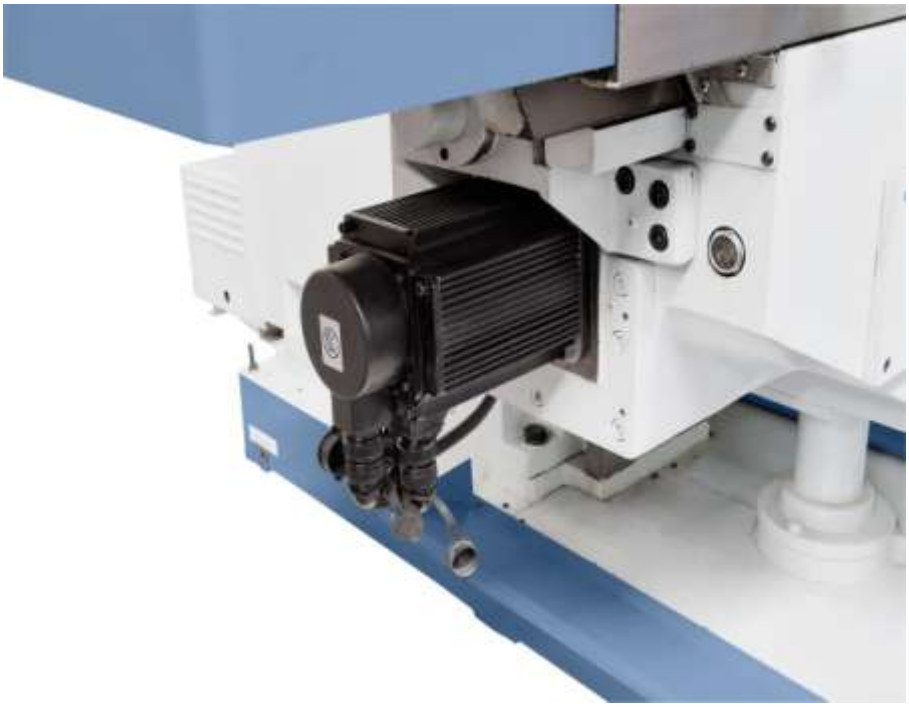

Main Feature :

Convincing Arguments : Quality, Efficiency and Price

- Table size 1235 X 460 mm, Table load 800KGS, Spindle taper ISO40, Main Motor 5500W
- Preload Ball screws on all Three-axes with ZERO backlash for easy and precise feeds
- Dynamic infinitely variable speed and rapid feed driven by powerful, separate Servo Motors on every axes (all X-/Y-/Z-axis)
- Large dovetail guiding X-axis, rectangular guiding in Y-axis and Z-axis guarantees stability
- Electronic Hand-wheels integrated in swivel-able control panel for easy operation
- Stepless feed settings and rapid feed in all axis driven by Servo Motors
- Extra large work table and wide travel ranges on all Three-axes
- Universal swivel head – cutter can be moved to any spatial angle
- Hardened, nitrated and polished gear wheels in oil bath
- Rigid torsion-proof construction with additional guide columns for constant precision when machining heavy work-pieces
- Universal milling head swivel 360 degree can be set to various angles
- Fine-stepped spindle gears for powerful machining
- Mechanical change speeds in head stock for powerful machining capacity
- Large cross table with T-slots treated surface for heavy work-piece load
- Machine body in heavy cast iron construction for vibration-free run
- Clearly arranged spindle speed control unit on machine arm
- Turcite-B coating in X-axis reduces slip-stick effect
- Optimal adjustment spindle speed and feed for economic machining of various materials
- Precise dovetail guides on X-axis, wide square guides on Z-axis
- Ball screws in all three-axes to guarantee high accuracy
- Central lubrication for 3-axis (X/Y/Z-axis) are standard equipment
- Central lubrication for guide-ways comes standard
- Double supporting column for big load and high accuracy
- Swivel milling head can machine any angle surface through front half-sphere
- 3-axis Digital Position Indicator is optional special spare parts
- Certificate of Original (CO, FORM A, FORM E, FORM F)

A Proven Universal Swivel Head can machine any angle surface

Ball Screws and 3 separate Servo Motors Drive in all Three Axis

Technical Data :

Product Name :	Universal Milling Machine with Servo Motor and Ball Screws
Product Item :	MM-UWF10S
Working Area	
Table Size :	1235 X 460 mm
Max. Load Capacity of Table :	800 KGS
Number of T-slot :	5 Pieces
T-slot Width :	18 mm
T-slot Spacing :	80 mm
Milling Head	
Spindle Taper :	ISO 40
Spindle Speed :	30-2050 RPM (27 kinds)
Milling Head Swivel Range :	360 degree
Distance from Spindle Nose to Table Surface :	50-500 mm
Throat :	36 -686 mm
Travels	
Max. Travel Longitudinal (X) :	900 mm
Max. Travel Cross (Y) :	650 mm
Max. Travel Vertical (Z) :	450 mm
Feeds	
Feed Speed Horizontal (X) :	10—1000 mm/min (variable speed)
Feed Speed Cross (Y) :	10—1000 mm/min (variable speed)
Feed Speed Vertical (Z) :	5—500 mm/min (variable speed)
Rapid Feed X-axis :	2200 mm /min
Rapid Feed Y-axis :	2200 mm /min
Rapid Feed Z-axis :	1100 mm /min
Drive Capacity	
Main Motor :	5500 W
Motor Rating X-axis Feed :	15 Nm (Servo Motor)
Motor Rating Y-axis Feed :	15 Nm (Servo Motor)
Motor Rating Z-axis Feed :	18 Nm (Servo Motor)
Gross Weight :	45000 KGS
Packing Size :	2420 X 1850 X 2100 mm
Standard Accessory :	Servo Motor in all Three-Axis (X/Y/Z-axis), Coolant System, Ball Screws in all Three-Axis (X/Y/Z-axis), Central Lubrication, Universal Swivel Head, Work Lamp, Tools and Toolbox
